**How can
we tell if it
is an
animal or
a plant?**

**In what
ways are
animals
like each
other?**

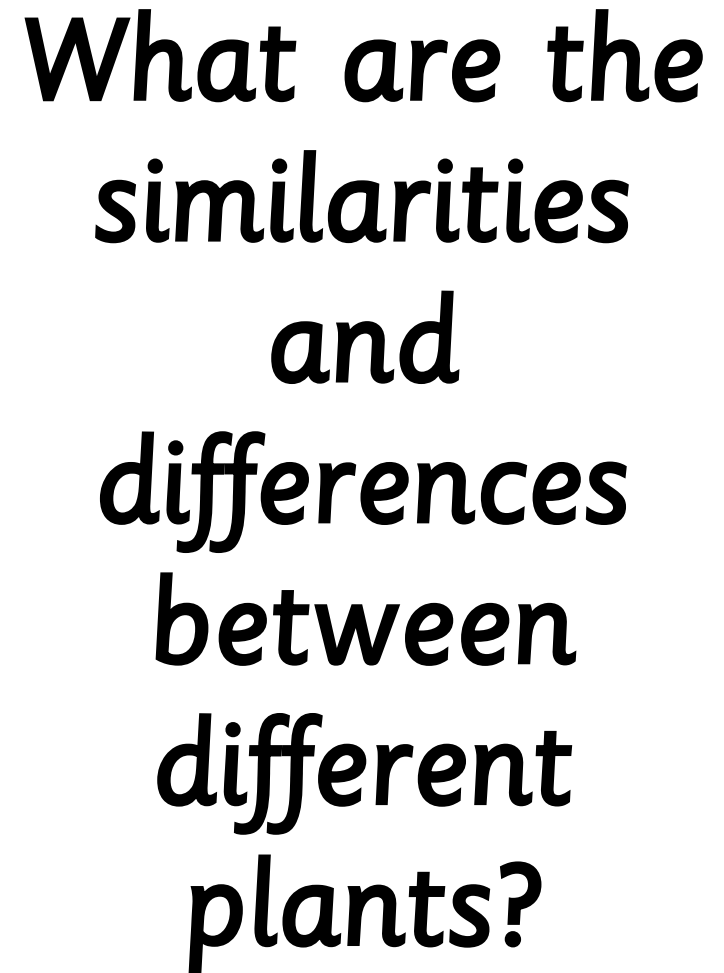

**In what
ways are
humans
like each
other?**

**In what
ways are
humans
different
from each
other?**

**How does
our
appearance
change as
we get
older?**

**What are the
similarities
and
differences
between
different
plants?**
